

Special Hitchiti Reception in Tampa

May 22, 2005

As part of the NAFTS Reunion in Tampa October 13th through the 17th, a special reception for all USS Hitchiti, ATF-103, shipmates will be held at 6:30 PM on Friday, October 14th . . . at the Tampa home of shipmate Ted Hillman.

The cost for the Hitchiti Reception this year will be \$15.00 per person including the bus ride to and from Ted's house. There will be a fully hosted bar (free drinks!) and heavy duty high quality hors d'oeuvres for dinner.

All former Hitchiti sailors and their spouses or significant others are invited to join us for the stimulating renewal of old friendships and the making of new ones.
